

YOUNG CULTURAL DIVERSITY IN KOLDING – HELP ESTABLISH OUR NEWLY ACQUIRED YOUTH CULTURAL HOUSE (AGES 16-35) IN THE CENTER OF KOLDING

PROJECT DESCRIPTION

The EVS project 'Young Cultural Diversity in Kolding' is hosted by Kolding Youthschool, and the project is based in the center of Kolding. We offer the international participant the experience to work together with local culture entrepreneur's, musicians, staff and many other creative people at the new established cultural house, Bygning 5 (Building 5). All ideas, cultural events, workshops and activities in general are set up and organized by the users. Therefore the job can and will change from time to time.

We will of course try to accommodate whatever wishes you have, but you will also have to expect some practical work taking care of the house as well.

User involvement is of our highest priority and it is our finest job is to support and help them succeed with their different projects and ideas.

Bygning 5 was established in March 2017 and we hope and expect the participant to contribute with even further development.

The culture house is now hosting different groups of interest such as radio studio/channel, video studio, photo studio, E-sport, textile room, atelier, theater, different unions (Jazz, TV channel) and we are experiencing a rapidly growing number of users.

Bygning 5 and Kolding Youthschool has a vision, that the culture house will be positioned as a flagship regarding culture amongst the age group 16-37 years.

Parallel the daily ushers of the house, we hosts different types of events, meetings, integration projects, café arrangements etc. and it is expected, that the participant will take part in this as well, both arranging and the practical work.

ACCOMMODATION, FOOD AND TRANSPORT ARRANGEMENTS

- You will be assigned your own room in a shared apartment. The apartment is shared with two or three other EVS participants, who are staying in Kolding the same period as you. Nearby the apartment, you will find a shopping center. The group of volunteers will jointly be responsible for the apartment.
- You will receive pocket money ~ EUR 150,00 per month
- Kolding Youthschool will provide proper transportation for example bicycle, moped or public transport

TRAINING DURING THE PROJECT

- You will receive a Danish Languages courses, and if we find, that you need other courses, we will provide these.

VOLUNTEER PROFILE

We prefer a participant, who is open minded and highly motivated about working with different cultures, and we expect you being willing to share your culture and knowledge. In addition, we prefer a person, who has experience working in a place with many things to do, and where not all tasks are given in advance.

We prefer a participant, who has knowledge about event planning, but it is not a demand, as long you have the interest about this.

Persons who are attracted of getting practice/experience within culture work targeting the age group 16-35 years should consider applying for this EVS project.

The working language will be in English until the participant is familiar with Danish.

How to apply

Fill in the application form and e-mail it to youth@kolding.dk before the deadline
